When it's Halloween,  
I go Trick or Treating  
with my family and friends.

I put on my costume.  
I am dressing up as a Princess.

I have a bag to hold my candy.

I will walk with my Mommy.  
I will hold my Mommy's hand.

We visit different houses.  
I will knock on the door.  
When the door opens,  
I will say, "Trick or Treat!"

When someone gives me candy  
or treats, I say, "Thank you!"

I will see other people wearing costumes too!
